LAWN FURNITURE

2026 CATALOG

ABOUT OUR COMPANY:

Lehman's Lawn Furniture started in October 2016 with a goal of working at home with the family and handcrafting comfortable outdoor furniture. We started with wooden lawn furniture and as we grew, we added more products focusing on a niche market with our innovative designs. In 2021, we started with poly furniture and with this catalog, we have a great lineup of products in various collections that are ready to furnish your backyard or patio.

OUR GOALS:

At Lehman's Lawn Furniture, we give all the glory and honor to God in everything we do and want to be an inspiration to everyone that comes in contact with our company. Our goal is to serve you by providing a product that represents integrity, efficiency and great customer service together with dependable lead times.
